In addition to Rs. 9,000 provided for the additional establishments already sanctioned, a sum of Rs. 6,000/- is provided for additions to the nursing staff. The total extra cost on account of all the revisions referred to in the L.S.G. Secretary's note above will have to be limited to the said sum of Rs. 6,000/- as it is not possible to make additional provision now, nor is it desirable to increase the level of the cost of recurring expenditure still more. To

The Secretary to the Government of Mysore,
Local Self Government Department, Bangalore.

Sir,

In forwarding herewith two proposition statements (1) for revision of the staff of the McGann Hospital (2) revision of Maternity Section, Shimoga together with the indents for furniture etc., received from the District Medical Officer, Shimoga, I have the honour to state that the work in the new Hospital, both clerical and professional, has increased enormously. The District Medical Officer has explained in detail (copy of his letter No.2313 dated 9-2-1939 enclosed) the need for revision of the scales of pay of the Head Nurse by designating the appointment as Matron and of the steward and clerk. An additional Mali for maintaining the garden and revised scales of pay for the sweeper and the dhoby are also proposed. I have scrutinised the scale and the additional staff proposed by the District Medical Officer with care having due regard to the value of economy but I find that what has been asked for is the bearest minimum and is not capable of any further reduction. I request that sanction of Government may kindly be obtained for the revision of the establishment proposed both for the McGann Hospital and for the Maternity Section, due provision for the additional cost involved viz., Rs.730/- per annum for the McGann Hospital and Rs.1,900/- per annum for the Maternity Section being made in the draft Budget for 1939-40.

I request the favour of early sanction.

I have the honour to be,
Sir,
Your most obedient servant,

B Narayana Rao

Senior Surgeon.

Letter No.2313 dated 9-2-1939, from the District Medical Officer, Shimoga District, Shimoga, to the Senior Surgeon in Mysore, Bangalore.

---

With reference to your letter No.C.983-5 dated 27-3-1938, I have the honour to resubmit two sets of proposition statements one for the establishment required for the McGann Hospital and the other pertaining to Maternity Hospital.

My proposal for the revision of the establishment of the McGann Hospital with an additional cost of Rs.52-8-0 per mensem is as follows:-

Steward:- At present there are two clerks working in this office. The work in the McGann Hospital and also in the District Medical Office has increased very much. A statement showing the numbers of registers that are maintained, Returns that are to be submitted, and the nature and the amount of work that is being turned out by the clerks is herewith submitted for favour of perusal. There is a transaction of Rs.4,000 to Rs.5,000 every month. 115 service registers are maintained in this office. The work in the accounts branch has also increased. Thus it is seen the salary of the incumbent is too low considering the work that is entrusted to him. Hence the proposition.

Matron:- The work of the McGann Hospital and the Women's Section has increased. The work of Nurses and the menial staff needs supervision. The cooking of articles of diets calls for the services of one who can instruct and supervise. A Matron is necessary for all this work. She will bring about a better co-ordination of duties in the different sections of the hospital and meet the demand for greater efficiency in the standard of work of the Nurses.

Nurses:- One nurse of the temporary establishment may be merged with the permanent staff with the same pay as the others.

Dhoby:- On an average the dhoby washes nearly 1000 articles a month. His pay is only Rs.10/- which is far too small for the work demanded of him. Rupees 15/- is a reasonable sum per month and this may be sanctioned.

Sweepers:- As the services of sweepers cannot be secured at a pay lower than Rs.10/-, the pay of the sweepers may be increased.

Mali:- There is one mali for the vast compound. One more has to be employed.

Women's Section:- I have also sent a proposition statement for the revision of the establishment of women's section with an additional cost of Rs.152-8-0 together with a list of furniture etc., amounting to

OFFICE OF THE DISTRICT MEDICAL OFFICER,
SHIMOGA DISTRICT.

Shimoga ..... 193 .

From

The District Medical Officer,
Shimoga District, Shimoga.

To

The President,
District Board, Shimoga.

Sir,

I have the honour to request sanction of the additional establishment as detailed below to the Female Dispensary and Maternity Shimoga consequent on the addition of a ward thereto:-

Midwife:- Before the addition of a new ward there were 15 beds and only one Midwife was sanctioned. The additional ward has 14 beds requiring the full services of another Midwife and hence the proposition.

Nurses:- At present the services of the nurse attached to the McGann-Hospital, Shimoga are utilised in the Maternity Hospital. Owing to the increased work in the McGaan Hospital itself it is not possible to spare her services to the Maternity section. The new ward is completed and it would admit general cases in the female section. A Nurse is therefore is an absolute necessity.

Clerk:- At present there are two clerks working in the office. The work of the McGann Hospital and also the District Medical Office has increased very much owing to the number of registers to be maintained. Returns that are to be submitted etc., It will be difficult for the existing staff to manage the work of the Maternity Hospital also. Hence an additional clerk is found to be quite necessary.

Ward Ayahs:- At present there are four ward ayahs . Three of whom work in the day and only one ayah in the night. The day ayahs work from 7 A.M. to 7 P.M. with an interval of only one hour for their meal. The addition of a new Ward demands the appointment of

In continuation of this office No.3298 dated 10-4-1939 I have the honour to submit herewith a copy of letter No.211/38-39 from the President, Municipal Council, Shimoga forwarding a copy of his letter dated 4th May 1939 to the Deputy Commissioner, Shimoga pleading the inability of the Municipal Council to increase their quota towards the proposed revision of the establishment of the Female Dispensary and Maternity, Shimoga.

In this connection, I have the honour to state that when the Maternity Hospital was startedm the Town Municipal Council, Shimoga had also resolved in their Municipal Resolution dated 30-4-1936 that they were not in a position to meet both the initial and recurring charges and would meet only recurring expenditure, but Government directed the District Board and Municipality to meet their share of cost, both the initial and recurring, in their order No.G.943-6/Med.310-35-5 dated 6th/7th August 1936 in accordance with the terms laid down in G.O.No.11950-70/ Med.81-28-5 dated 5th April 1930. Every year the budget estimates under State Funds District, Muncipal and M.I. Funds seperately of the District Hospitals and of all the 32 institutions are to be prepared and consolidated and submitted to Senior Surgeon. After they are received back duly countersigned the respective muncipalities and the District Boards have to be furnished the figures for the amount they have to provide in their budget estimates.

Nature of work.

In the McGann Hospital;

Diet register is to be maintained up to date and written every day. The daily average of in-patients is about 50 to 60. Articles of the hospital necessaries are to be entered in a seperate register. Since the new Maternity was opened seperate Diet register is to be maintained.

Every month the Diets and Hospital Necessaries are to be checked and compiled and the bill prepared and drawn on A.C. bills and D.C. bill is to be submitted every month.

Establishment pay bills of the McGann Hospital, Female Dispensary, Midwifery class bills and of the D.M.O. ,L.M.O.,and Assistant Surgeon, are to be prepared cashed and disbursed.

Admission and discharge certificates are to be issued for officials who undergo treatment in the hospital as In and out-patients and also Medical certificates re: leave to be issued. Now and then several communications are to be made to the relatives of the in-patients regarding their conditions and also reports of deaths of the in-patients to be communicated to the relatives and the disposal of the body to be arranged as per rules.

The valuables of in-patients such as jewels and cash etc., are taken to the account and kept and returned to the parties safely after they are discharged . On several occassions clerks have to go to the Treasury to encash bills and attend to the other miscellaneous work of the hospital.

Every day the out-patient and in-patient collections are to be received and taken to account.

Every day the diet tickets of all the in-patients are to be consolidated and indent for the diets is to be issued to the contractor. Each day

In the District Medical Office:-
Every month there is a transaction of Rs 4000 to 5000.

115 Service registers are being maintained in the office.

To

The Secretary to the Government of Mysore,
Local Self Government Department, Bangalore.

Sir,

In continuation of this office No.C.983-10 dated 6-5-1939, I have the honour to forward herewith a copy of letter No.3606 dated 10-5-1939 received from the District Medical Officer, Shimoga reporting that the Municipal Council, Shimoga plead inability to increase their quota towards the proposed revision of the establishment required for the Female Dispensary and Maternity, Shimoga for the new ward which has been completed several months ago and has to be opened.

In this connection, I have to invite kind reference to G.O.No.G. 943-5/Med.310-35-5 dated 6/7-8-1936 ordering under similar circumstance that the local bodies should bear their share of cost, both initial and recurring, in adcordance with the terms laid down in G.O.No.G. 11950-70/Med.81-28-5 dated 5-4-1930, for opening the Maternity Hospital. As the opening of the septic ward has been delayed for want of the necessary staff and equipment at a cost of Rs.152-8-0 per menesem and Rs.1,639-12-0 respectively, the District Board and the Municipality may kindly be compelled to meet their share of additional cost and sanction of Government accorded for the additional staff and equipment proposals for which have been submitted to Government in this office No.C.983-6 dated 22-2-1939.

I have the honour to be,
Sir,
Your most obedient servant,

B K Narayana Rao 1/6

Senior Surgeon.
